

Name	CADEO
Location	cadeo
Address	29010
Description	The municipality took its name from the main ward, Cadeo, and its site is in Roveleto. The etymology of the word is House of God - House of the Pilgrim, in effect the village probably derives from an old 12th century pilgrim hospitium on the Via Romea. Also the castle, now a farm, was built by Augustinian monks. The economy is based upon agriculture, cattle breeding and industry.
