

Name	VERNASCA
Location	vernasca
Address	29010
Description	With no doubt inhabited since pre-history, the area preserves remains of S. Colombanos romaneseque parish church and was a fief of the Malaspinas and then of Tollas Abbey. Apart from these remarkable remains, nowadays Vernasca's economy relies mainly on agriculture. The surrounding hills are planted with vineyards: in effect, the area is well-known for DOC wines, mentioned and appreciated even in the middleages.
